# ST. LUKE

**Mrs Brenda Savio D'Silva  
Culsabhat**

St. Luke is the writer of the third Gospel and the Acts of the Apostles. St. Paul refers to him as “Luke our beloved physician” (Colossians 4:14). Luke appears in Acts during St. Paul's second journey and remains in Philippi for seven years until St. Paul returns from his third journey and accompanies him to Jerusalem and remains with him to the end. After everyone deserts St. Paul in his final imprisonment and sufferings, it was St. Luke who remained with him till the end.

It is only in Luke's Gospel we hear the story of Annunciation, Mary's visit to Elizabeth including the Magnificat, the Presentation and the story of Jesus' disappearance in Jerusalem and the story of the Prodigal Son welcomed back by his overjoyed father.

Like's unique character is seen by the emphases of his Gospel which has been given a number of subtitles as 1) The Gospel of Mercy 2) The Gospel of Universal Salvation 3) The Gospel of the Poor 4) The Gospel of Absolute Renunciation 5) The Gospel of Prayer and the Holy Spirit 6) The Gospel of Joy

St. Luke is the Patron Saint of Physicians and Surgeons and his feast day is celebrated on October 18<sup>th</sup>.

St. Luke's Medical Guild is one of the Associations of our Diocesan Centre for Lay Apostolate, Archdiocese of Goa and Daman and it consists of Catholic doctors who render their free services to the poor at Goa Medical College and to the prisoners. The Director of DCLA is presently the Spiritual Advisor of the St. Luke's Medical Guild. The Guild organises programmes on Christian Medical Ethics for its members as well as for others. The DLCA also has many other Associations like Catholic Nurses Guild, Focolare Movement, Catholic Association of Goa etc and Apostolates like Catholic Lawyers Guild etc.

# ST. THERESA OF THE CHILD JESUS, PATRONESS OF THE MISSIONS

**Alzira Fernandes**

On the 23rd of October this year we will celebrate Mission Sunday and spiritually guiding this month is St Theresa of the Child Jesus, patroness of the Missions, also called the little flower. Born on January 2, 1873, in Alencon, France, Therese Martin she was the last of nine children. Her parents, Louis and Zelig Martin, were a very holy couple. From an early age Therese clearly had a very personal connection with heaven. She dedicated her life to simple acts for she believed

that it was the daily, small tasks that made one holy. This became known as St. Therese's "Little Way" – that we are called to do ordinary things with extraordinary love. Living a hidden, simple life of prayer, she was gifted with great intimacy with God. Through sickness and dark nights of doubt and fear, she remained faithful to God, rooted in His merciful love. She loved flowers and saw herself as the "little flower of Jesus," who gave glory to God by just being her beautiful little self among all the other flowers in God's garden. Because of this beautiful analogy, the title "little flower" remained with St. Therese.

# ST. FAUSTINA, THE APOSTLE AND SECRETARY OF DIVINE MERCY

**Mrs. Rajamma Gomes,  
Igorjebhat**

“Oh, the most Holy Trinity, as many times as my heart beats, as many times as my blood pulsa through my body, so many thousand times I want to glorify thy mercy”. Whispered St. Faustina.

Helena Kowalska was born on 25th August 1905 in Glogowiec - Poland. She was the third of the ten children. Her father was a carpenter and a peasant. The family was poor but they were very religious. She was loving, intelligent and very obedient from the young age. She studied only up to 3rd grade. As an youngster again as a teenager Helen had profound mystical experiences. At the age of seven in 1912, while praying before the Blessed Sacrament, Helen's heart overflowed with abiding love. " The love of God was imparted to me for the first time and filled my little heart" (She noted down in her diary\_1404). After the first Holy Communion she felt very close to Jesus and there after did not engage in conversation with any one. When some one asked her why are you walking alone she said, I am not alone "I am walking with Jesus". At the age of 14 she requested her parents to allow her to join a religious life , but her parents didn't permit her. Her life took a dramatic turn when she was 19 yrs old when she saw the scourged, suffering Christ and He spoke to her "how long have I to wait for you? How long will you avoid me? Immediately she took the firm decision to enter a religious life. She went to Warsaw. There she was refused by several converts. Finally she was accepted by the congregation of sisters of Our Lady of Mercy. There she took the name 'Sr. Maria Faustina'. She was given the most menial task to do because of her lack of education. yet Sr. Faustian was always cheerful and diligent. Externally she would appear quite ordinary, internally the Lord was inviting her more deeply into

his plan for the redemption of humanity, in deep union with Him through sacrifices, suffering and prayer. Life on earth is a great battle". Sr. Faustian, responded, 'I begin with the battle and end with the battle'. Jesus spoke to St. Faustian "I am giving the last chance of salvation to humanity through my divine mercy. (Diary 998). The Lord chose Sr. Faustian, the simple and humble nun to spread the divine mercy message and devotion. "My daughter, be at peace, do as I tell you. Your thoughts are united with my thoughts. So write whatever comes to your mind". This earned her the title ' the apostle and Secretary ' of Jesus mercy. Her Mother Directress blessed her, "As water flows from the mountain into the valley, so too, do God's grace flow into your humble soul. St. Faustian is well known for her vision of Jesus as He appears in the divine mercy image which features the Risen Jesus with arms outstretched and rays of blood and water flowing forth from His side's. Her most important contribution to church in our time 1, her extraordinary mystical depth of her writings. St. Pope John Paul 2nd bore witness to the special intimacy of Sr. Faustian. He wrote in his book memory and identity (2005) "Sr. Faustian was chosen by Christ to be an enlightened interpreter to the truth of Divine Mercy ". 2, Her apparitions of Jesus Christ, inspired Roman Catholic devotion to divine mercy. She is a gift of God to the whole church in order to experience the depth of Divine Mercy. This great mystic nun passed away at the age of 33. She was beatified in 1993 and canonized as St. Faustina in 2000 by St. Pope John Paul. This simple nun was lifted to the altar, became the first saint of the millennium. St. Faustina reminds us, 'the greatest treasure on earth is our sufferings which make us worthy to receive from the heart of Jesus, the ocean of Mercy and love. Jesus told St. Faustian, "humanity will not find rest until it finds rest in Divine Mercy". It is not a new message, but can be considered as a gift of a ray of light to men and women at our times. Accepting our sufferings, offering sacrifices and praying let us prepare our heart and soul to receive the streams of Mercy.

We celebrate her feast on Oct. 5th.

# WORLD YOUTH DAY 2023

**Deacon Frankey Carvalho**

At the end of the closing mass of World Youth Day 2019 in Panama, Pope Francis and Kevin Farrell (Prefect of the Dicastery for the Laity, Family and Life) announced that the World Youth Day 2023 will be held in Lisbon, Portugal. The multi-day gathering, established by St. John Paul II in 1985, is held on a different continent every three years. But due to the Covid pandemic the scheduled event could not be held in 2022.

The theme that is chosen for the World Youth Day 2023 is “Mary arose and went with haste” (Lk.1:39). This theme is taken from the visitation account (Mary visiting Elizabeth). Mary went with 'haste' speaks of her excitement. Even before Jesus was born, she was in haste to share his divine presence with others. Similarly, this theme calls each and every young people to have that joy and excitement within us to be active and missionary witnesses of the Living Christ.

In Christut Vivit Pope Francis addressed the obstacles to faith and personal fulfillment faced by young people today, such as isolation, over consumption of media, and addiction to drugs and pornography. These things should not rob us of our hope and joy and should not drag us into becoming slaves to their interests. But the Living Christ should come alive in us to go in haste in sharing the Good news with others.

So, my dear young and energetic friends of Christ, let us not confine ourselves to pursuing fleeting pleasures and superficial achievements. Let us not bind ourselves to organizing activities for fun-sake, but rather make Christ alive in us. So let us then go with haste to share Christ to every person we encounter. Let our generous commitment, whole-hearted dedication, and sacrifices make our youth ministry a fruitful one.
