THIRD DEATH ANNIVERSARY

"TO LIVE IN THE HEARTS OF THOSE WE LOVE IS NEVER TO DIE"

WE REMEMBER WITH LOVE

Peter L. Furtado

Cotta, Chandor

The bond we shared will never end. Even though
we are apart, we find comfort in the memories,
deep within our hearts.

*Those we love don't go away; they walk beside us everyday.
Unseen, unheard, but always near; still loved, still missed
and very dear.*

There will be a Eucharistic Celebration for the
soul of our beloved 'Tipadrin' on 18 February 2023
at 7:30am at Chandor Church, followed by
prayers at the grave.

A Tribute of Love
From Furtado, Gracias, and Coutinho Family

And for a time it felt as though
Our life had ended too.

And now we face each day,
With hope and happy memories
To help me on my way.
And though we're full of sadness
That you're no longer here,
Your influence still guides us and we still feel you near.
What we shared will never die
It lives within our hearts,
Bringing strength and comfort
While we are apart.

OUR LADY OF LOURDES AND WORLD DAY OF THE SICK

- Brenda Savio D'Silva
Culsabhat

On December 8th, 1854 Pope Pius IX proclaimed the dogma of the Immaculate Conception and 3 years later on February 11, 1858, a young lady appeared to fourteen year old Marie Bernade (St. Bernadette) Soubirous. Bernadette could pray the Our Father, the Hail Mary and the Creed. She also knew the prayer of the Miraculous Medal: "O Mary conceived without sin".

Between February 11 and July 16, 1858, the Blessed Virgin appeared eighteen times and showed herself to St. Bernadette in the hollow of the rock at Lourdes. On March 25th, She said to the little shepherdess who was only fourteen years of age: "I am the Immaculate Conception" Our Lady's white robe was encircled by a blue girdle. She wore a white veil. There was a yellow rose on each foot. A rosary was in her hand. The humble virgin appeared to a humble girl and treated her with dignity.

Since then Lourdes has become a place of pilgrimage and many cures and conversions have taken place. The message of Lourdes is a call to personal conversion, prayer and charity. It is a continuation of Jesus' healing miracles-now performed at the intercession of His Mother.

The World Day of the Sick was established by Saint Pope John Paul II in 1992 to draw attention to the sick and their caregivers and highlight the redemptive value of human suffering. The World day of the sick is celebrated according to a specific theme and in a different location each year on the feast day of Our Lady of Lourdes, February 11. Many who visit Lourdes return home with renewed faith and a readiness to serve God in their needy brothers and sisters. May our faith increase and we obtain complete cure through the powerful intercession of our Blessed Mother.

The Light revealed....

- Deac. Frankey Carvalho

Mary and Joseph being devout and faithful Jews followed the Law of Moses. According to the law there were two rituals that had to be performed at the birth of the first born Son. First, the mother of the new born child was held to be ritually unclean for seven days and as a result was abstained from entering the Temple till her days of purification were fulfilled (Lev. 12). Secondly, the father had to redeem the child by making an offering to the priest of five Shekels (Num. 18:16). Though Mary was pure from birth and Jesus did not need to be redeemed. They did fulfill these ritual obligations.

At the heart of this presentation is the prophecy of Simeon that Jesus will be the light to the Gentiles (Lk. 2:32). Forty days ago we celebrated the birth of our Lord who was light itself. Being born of a woman He curbed darkness so that we may become the children of light. Simeon not only prophesized that Jesus will be the light to the Gentiles but also said that a sword shall pierce his mother's heart as He would attain salvation for all. As we celebrate this feast of the Presentation of our Lord, let us firmly believe that by virtue of our baptism, we too are all called to be sharers of this light as Mary did. It was because of her Yes to God's will, the doors of redemption were opened for us. We too recall our Baptism when we were offered in the Church and we were Configured to Christ.

We also dedicate this day to consecrated life. Let us pray for all those people who are dedicated to Consecrated life. Let us ask God's grace upon them that they may zealously work in spreading the light to the Nation's.

Glimpses of Parents Day cum Prize Distribution at St. Joseph's Educational Institute

The Parents day cum Prize distribution was held on 20th December 2022. Mr Agnelo Fernandes, CCP Commissioner consented to grace the occasion as the Chief Guest and Dr. Yash Verenkar ex- student of our school was the Guest of Honour for the programme.

'Keep Following..... Be Fruitful' was the theme for the Parents day cum prize distribution with the aim to inspire us all to walk the path of truth, justice and selflessness and become true witnesses of Christ.

Rev. Fr. Jean da Cruz Fernandes Manager of our school addressed the gathering.

Students showcased their talents while they performed in different item.

Pri-primary students presented a fashion show based on eco-friendly materials. Students with their attractive outfits made the fashion show very colourful and creative. Students gracefully danced to the various Indian folk dances highlighting unity of all Indian's despite their diverse cultures and traditions.

We also saw brilliant actors performing different roles that made the skits, monologue very meaningful and conveyed a value based message. Our budding musicians played various musical instruments during the orchestra setting a high octave performance before the audience.

Students through their melodious singing added colour to the occasion.

The achievements and hard work of the students were acknowledged during the prize distribution ceremony.

Through the collective efforts and team work of the management, staff, parents and students made the Parents day cum Prize distribution a grand success.
